

From Bud, who pointed this  
name. This would not be correct

Subsequent deductions have led me to believe that the assassination in Dallas was the result of a Mafia plot; that Marcello, or someone like him, used the "Minutemen" to make the hit. Presume you are aware that Loran Hall of Warren Report fame is a ranking Minuteman in California. Likewise, Dennis Mower, the guy who tipped Garrison on Edgar Eugene Bradley. Garrison also got much of his information from Carol Aydelotte, long associated with Mower and the Minutemen. Her husband is a leader in the Nazi Party in the San Fernando Valley.

LAPD investigators believe Jim Braden to be Gene Bradley's double. Braden is much taller, but they certainly look alike. Braden had deep involvement with Mafia here, and can be located today at a leading Mafia hangout. I am convinced Braden was the one who contacted Ferrie in Louisiana.

The Minuteman contact in California for the assassination, most likely was Philip Scheib, son of car painter Earl Scheib. Younger Scheib is close associate of Dennis Mower. Older Scheib is partner of Victor Emanuel Periera, Jim Braden's running mate of almost 25 years. Periera was Scheib's West Coast representative, also his partner in the Santa Maria Sky Ranch. As I told you, Periera and Braden are partners in numerous oil
